Recent Education Events

Grey Bruce Geriatric Education Cooperative

The Grey Bruce Geriatric Education Cooperative hosted a comprehensive *Stroke: From Prevention to Palliation in Grey/Bruce* education event on September 26th. This well attended event provided excellent content and coverage of stroke care across the continuum.

Windsor Stroke Rehabilitation Education Day

A Windsor *Stroke Rehabilitation Education Day* was held on Friday September 27th for health care professionals working with stroke survivors in the outpatient and community space. This full day event included sessions on local programming that supports stroke survivors and their families, return to driving post stroke & TIA, and spasticity recognition and interventions.
